

This e-mail is written on behalf of Heather Jackman of the Yardley office of Coldwell Banker.

My wife and I first met Heather at an open house she was hosting. She impressed us immediately with her enthusiasm, professionalism, and knowledge of the area and the housing market. Some time later, we enlisted Heather on our behalf to help us look at both rentals and homes for purchase in Yardley.

We made a great choice. My wife and I have moved several times, and we have worked with many realtors. Heather Jackman stands out as among the best. In her dealings with us, she showed the utmost in patience, understanding, and spent a great deal of time with us. She worked with our best interest as her motivation, and we felt we had her full attention in our search. On one particularly hot afternoon, she even treated us to some very-needed Rita's ices!

It is very easy to write this letter, as we had nothing but a positive relationship with Heather. And we will absolutely recommend her to anyone who is looking for a top-class realtor in the Yardley area.

Please feel free to call for any other feedback.

Sincerely,

Jeff and Nicki Diamond
